□ Large scale map extent with index number

Key Viewing Areas (KVAs) are important public roads, parks, rivers, or other vantage points within the National Scenic Area (NSA) from which the public views Scenic Area landscapes.

The KVAs are:

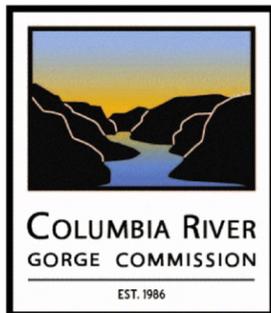

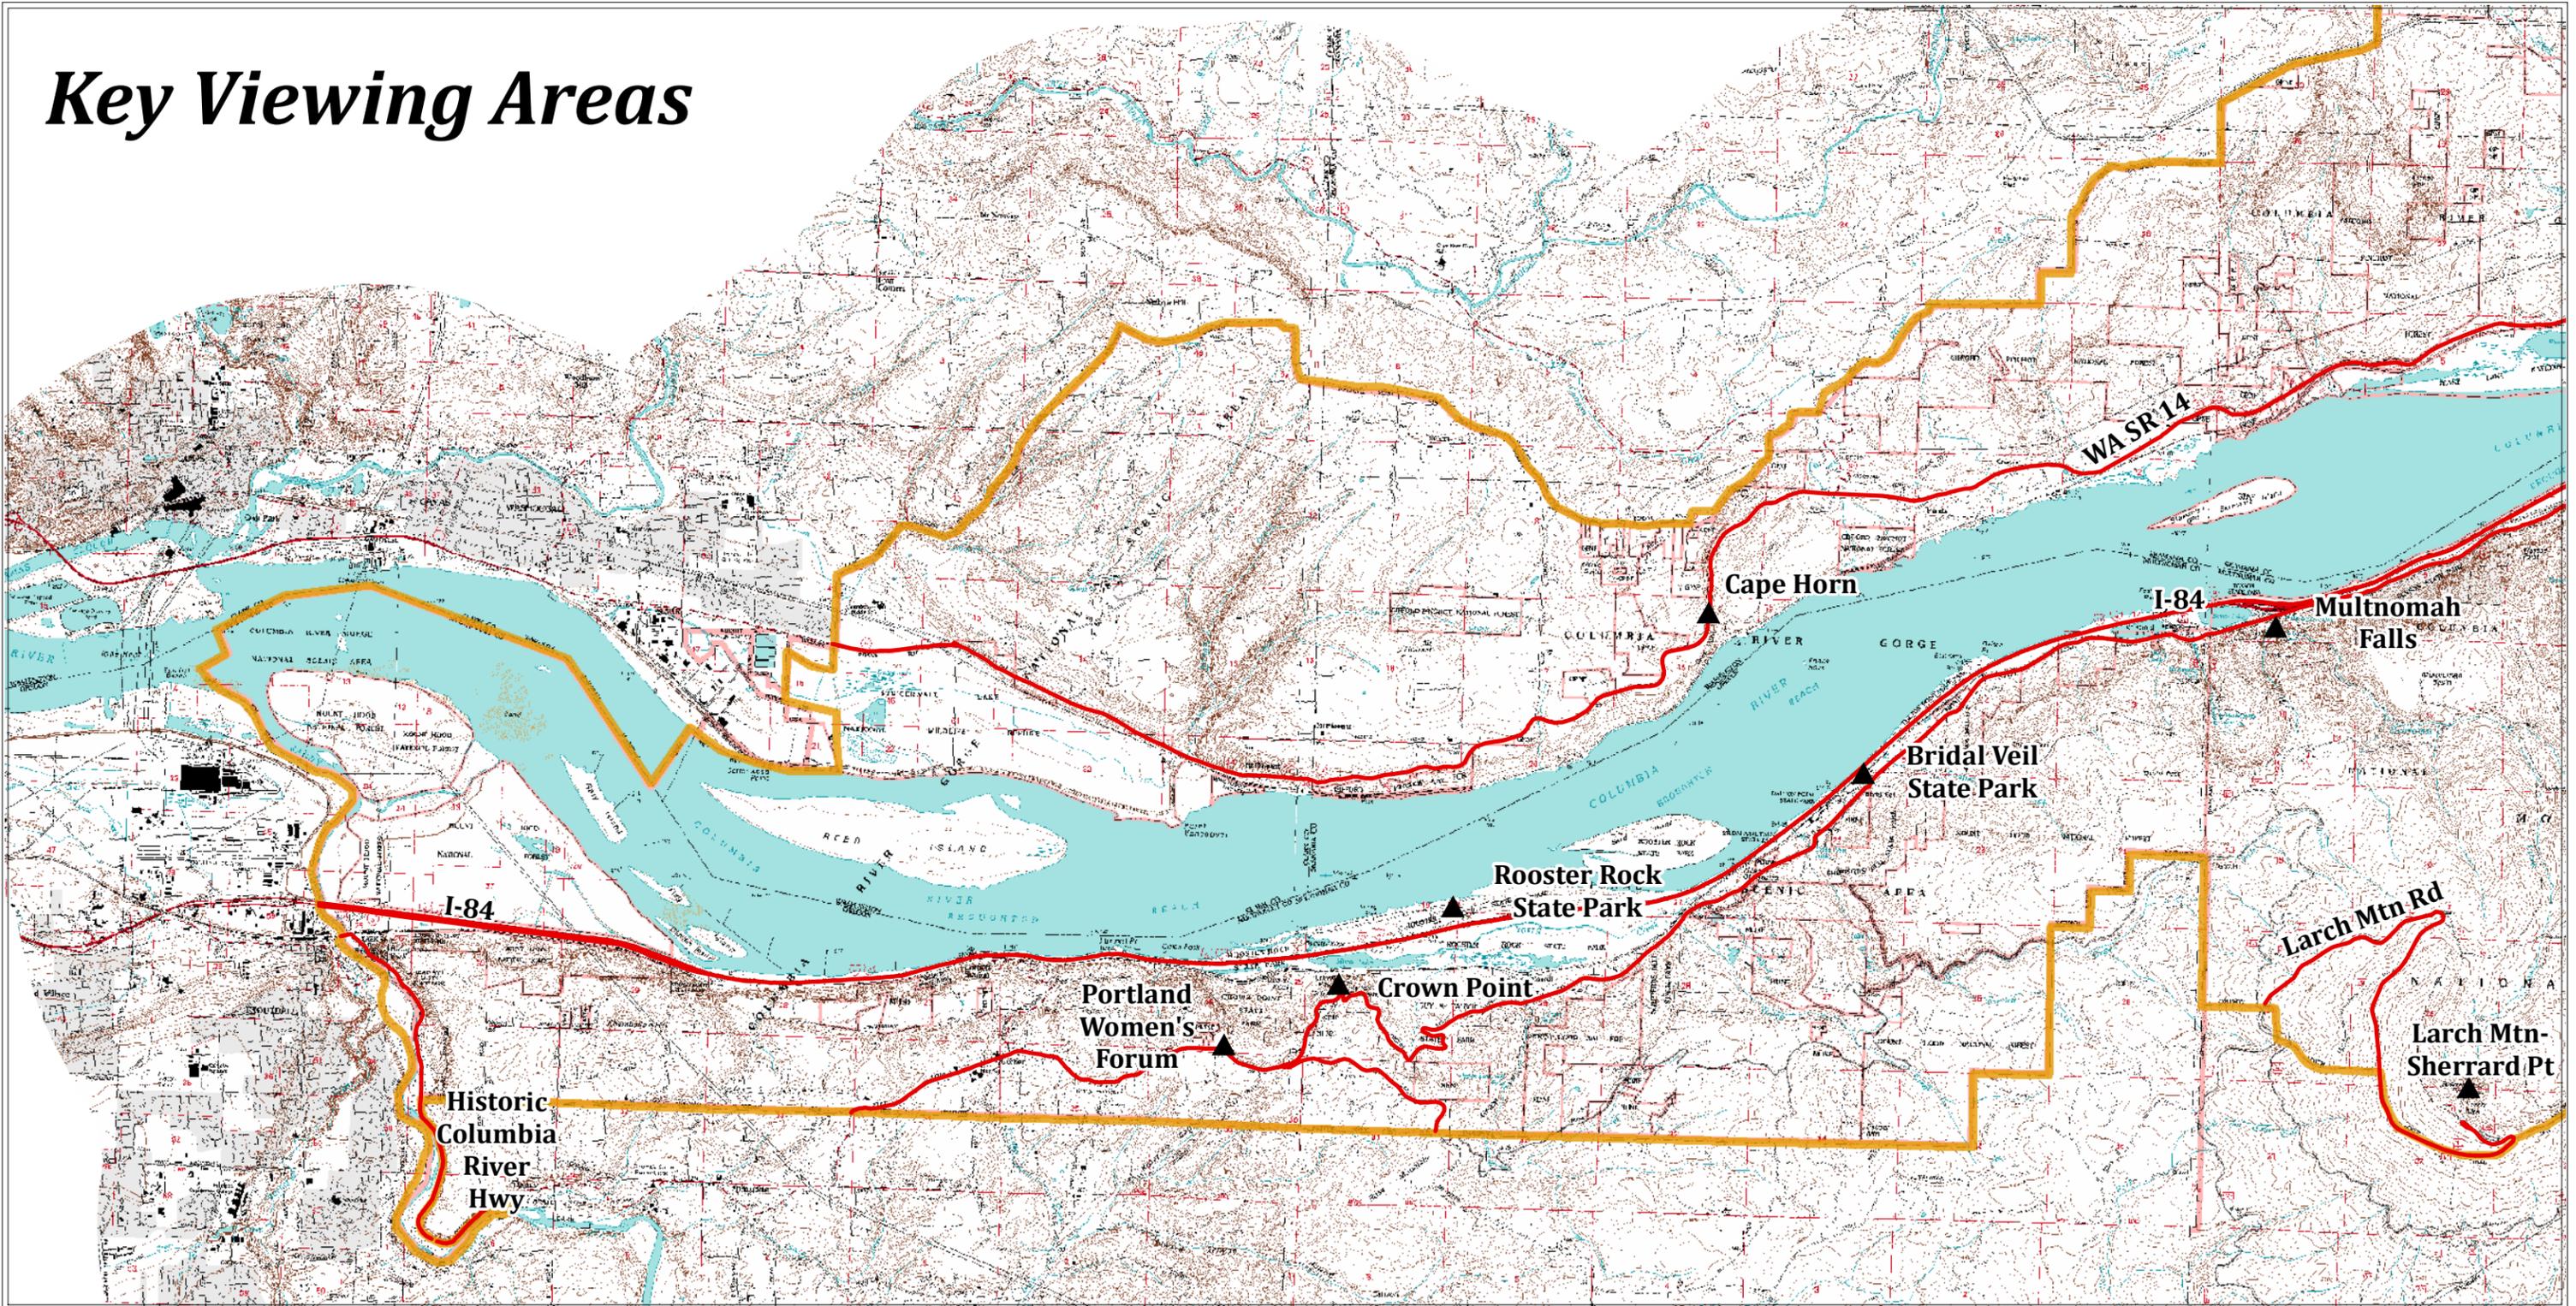

- Beacon Rock
- Bonneville Dam Visitor Centers
- Bridal Veil State Park
- Cape Horn
- Columbia River
- Cook Underwood Road
- Crown Point
- Dog Mountain Trail

- Historic Columbia River Highway and Trail
- Interstate 84, including rest stops
- Klickitat County Road 1230 (Old Highways 8 and 14)
- Larch Mountain
- Larch Mountain Road
- Multnomah Falls
- Oregon State Highway 35
- Pacific Crest Trail
- Panorama Point Park

- Portland Women's Forum State Park
- Rooster Rock State Park
- Rowena Plateau and Nature Conservancy Viewpoint
- The Sandy River
- Sherrard Point on Larch Mountain
- Washington State Route 14
- Washington State Route 141
- Washington State Route 142
- Wyeth Bench Road
