

COLUMBIA RIVER GORGE COMMISSION
MEETING – MAY 26, 2020 via Zoom Webinar
9:00 a.m. to 1:10 p.m.

Public Comment Guidance

Public Comment – Items Not on the Agenda

This is the time for anyone wishing to provide comment on items not on the Agenda. Please use the “raise hand” function so that we may compile a list of those wishing to comment. Once the list is compiled, we will call on you one at a time, unmute your microphone and you may begin with your public comment. We will use the “lower hand” function to remove you from the list.

Audio Only Attendees: Registered attendees using audio only and wishing to comment on a specific item are asked to email the request to: Connie.Acker@gorgecommission.org.

Please remember to adhere to the 3-minute public comment rule outlined in the Agenda.

Please note that during the May 26th meeting, the Commission is not accepting public comment on the two work session Agenda items:

Gorge 2020 Draft Climate Change Chapter
Gorge 2020 Urban Area Boundary Chapter Edits

The public may comment on these, and other chapters of the Draft Management Plan, during the June 1-30, 2020 public comment period. The Draft Management Plan will be uploaded on the Commission’s website on June 1, 2020. The public is encouraged to email comments during June 1-30, 2020 to: Gorge2020@gorgecommission.org
