

DEAR COMMISSIONERS

WE ARE HAPPY TO HEAR THAT YOU ARE CREATING A CLIMATE ACTION PLAN. WE LOVE OUR SCENIC GORGE, AND FEEL LUCKY TO LIVE HERE, WHERE SUCH A JEWEL IS PROTECTED. BUT ACTION REQUIRES SPECIFICS AND A TIMELINE THAT IS NOT TOO LONG. BE BRAVE! STEP UP! PROTECT ALL THE SPECIES AND HABITAT THAT ARE OUR CANARIES IN THE COAL. CURB URBAN EXPANSION, AND KEEP THE GORGE BEAUTIFUL FOR ALL OF US WHO WILL NEED IT MORE THAN EVER.

SINCERELY,

Mary-Jane & Robert Baker
